21. Summary

This procurement procedure shall be implemented through the process of participation, submission and opening of tender by way of the Government Electronic Procurement System (https://www.geps.go.jp/) for all government ministries and agencies.

A submission of tender in written form is also acceptable.

- 1. Description of the products/services to be procured
 - (1) Classification of the products/services to be procured: 78
- (2) Nature and quantity of the products/services to be purchased: (2020) Management service for unused state-owned land (Kita-Kanto and Shin-etsu area)
- Specifications of contracted services
 As provided in the Implementation Guidelines and Tendering Instructions
- Areas covered by the contracted services
 Kita-Kanto and Shin-etsu areas (Ibaraki Prefecture, Tochigi Prefecture, Gunma Prefecture, Niigata Prefecture and Nagano Prefecture)
- 4. Estimated quantity of contracted services

The estimated quantity of the services to be rendered during the contracting period shall be separately notified to the participants of the tender briefing session as described in Section 8 below. (Including persons briefed from time to time.) This quantity is merely an estimate and is subject to increase/decrease depending on the convenience of the government.

5. Method of tendering

A tender shall be submitted based on the total amount calculated by multiplying the unit price per service by the estimated quantity of contracted services.

For the awarding of tender, the contract price shall be the amount calculated by adding to the amount specified in the tender sheet the amount equivalent to 10% of such amount (any fraction less than 1 yen shall be rounded off). A tender participant, whether it is a taxable business entity or tax-exempted business entity for consumption tax and local consumption tax, is required to state the amount equivalent to 100/110 of the estimated contract amount in its tender sheet.

A tender participant may not replace, change or revoke its tender sheet already submitted.

- 6. Qualifications required for tender participants
- (1) A supplier who does not fall under Article 70 of the Cabinet Order concerning Budget, Auditing and Accounting (Imperial Ordinance No. 165 of 1947). Furthermore, a minor, a person under curatorship or a person under assistance who has obtained the consent necessary for concluding the contract falls under the case of special reasons within said clause.
